

# The University of Sydney

## Campus Tour Request Form

Tours of the University of Sydney enable students to visit the University's Camperdown Campus, meet with current students and see first hand what is on offer at Sydney. Tours commence from underneath the Clocktower in our famous Main Quadrangle. Students are then taken to many of the key spots on campus. Tours can vary in length depending on what you require and we are more than happy to adapt the tour to meet your school's specific needs.

School Name:.....

Address:.....

Contact:.....Position:.....

Phone:.....Fax:.....
